magicians necromancers and astrologers are assiduous characters in the european golden age theatre  
this book deals with dramatic characters who act as physiognomists or palm readers in the fictional world and analyses the fictionalisation of physiognomic lore as a practice of divination in early modern romance theatre from pietro aretino and giordano bruno to lope de vega calderón de la barca and thomas corneille

the buen retiro a royal retreat and pleasure palace was built for philip iv on the outskirts of madrid in the 1630s with its superb display of paintings by vel zquez and other contemporary artists the palace became a showcase for the art and culture of spain s golden age a palace for a king first published in 1980 provides a pioneering total history of the construction decoration and uses of a major royal palace emphasising the relationship of art and politics at a critical moment in european history

produced on different aspects of the history of the palace and its decoration since the 1970s a number of new unpublished illustrations have been added and many of the plates are now reproduced in colour the publication of this edition gains added importance from the fact that plans for the expansion of the prado museum include the restoration of the hall of realms to approximate its original appearance as reconstructed in this volume

we know what say a josquin mass looks like but what did it sound like this is a much more complex and difficult question than it may seem kenneth kreitner has assembled twenty articles published between 1946 and 2009 by scholars exploring the performance of music from the fifteenth and sixteenth centuries the collection includes works by david fallows howard mayer brown christopher page margaret bent and others covering the voices and instruments debate of the 1980s the performance of sixteenth century sacred and secular music the role of instrumental ensembles and problems of pitch standards and musica ficta together the papers form not just a comprehensive introduction to the issues of renaissance performance practice but a compendium of clear thinking and elegant writing about a perpetually intriguing period of music history

includes entries for maps and atlases

secular music of the fifteenth and sixteenth centuries encompasses an extraordinarily wide range of works and practices courtly love songs music for civic festivities instrumental music entertainments provided by minstrels the unwritten traditions of solo singing and much else this collection of essays addresses many of these practices with a focus on polyphonic settings of vernacular texts examining their historical and stylistic contexts their transmission in written and printed sources questions of performance and composers approaches to text setting essays have been selected to reflect the wide range of topics that have occupied scholars in recent decades and taken together they point to the more general significance of secular music within a broad complex of cultural practices and institutions
